

Era uma vez

uma menina

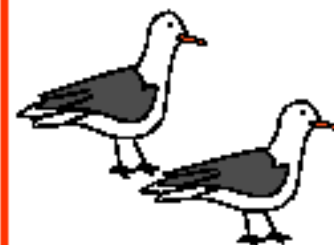

que estava a passear

na praia

com as gaivotas

De repente

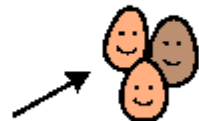

veio

uma onda

e elas

ficaram admiradas

A menina

ficou curiosa

e quis saber

o que estava acontecer

A menina

começou a brincar

com a onda

e as gaivotas

foram

para atrás

da menina

A menina

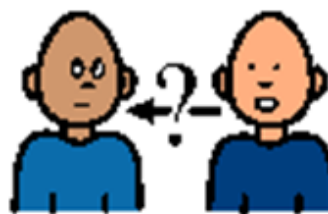

e as gaivotas

esperaram

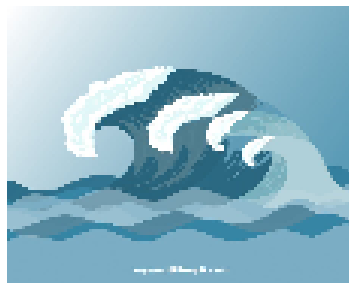

pela resposta

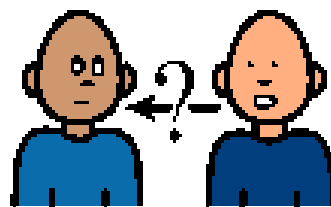

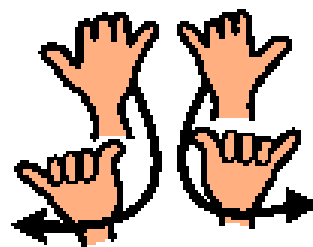

A onda

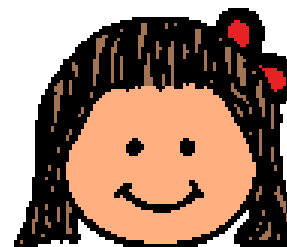

respondeu

brincando

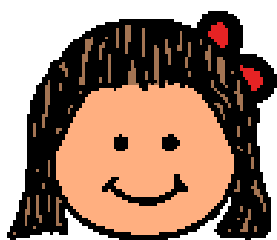

com a menina

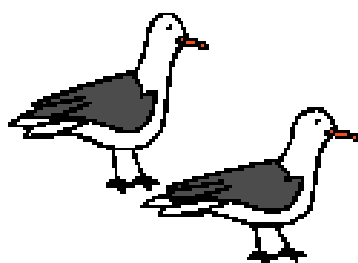

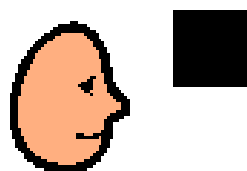

A menina

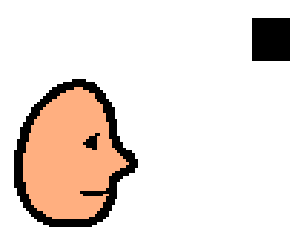

e as gaivotas

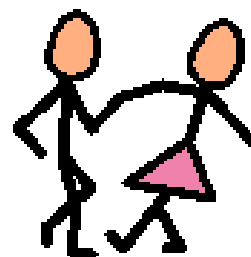

aproximavam-se

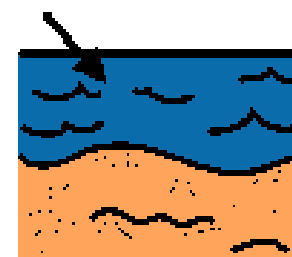

e recuavam

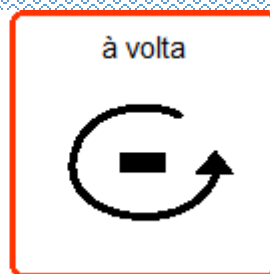

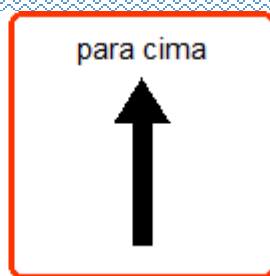

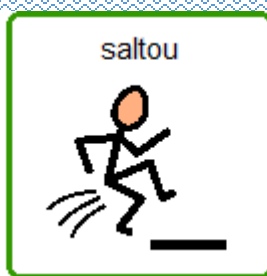

com os movimentos

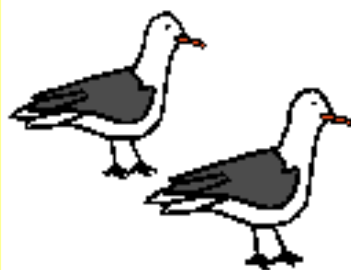

do mar

As gaivotas

e a menina

estavam-se

a divertir

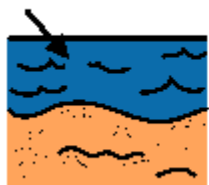

muito

O mar

ficou agitado

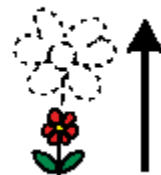

e a onda

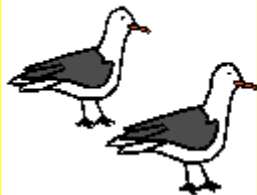

começou

a crescer

As gaivotas

e a menina

pararam

de brincar

De repente

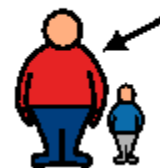

a onda

ficou

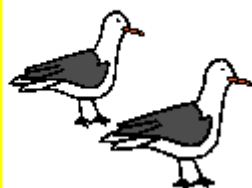

gigante

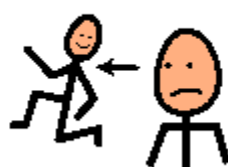

A menina

e as gaivotas

fugiram

o mais rápido

que conseguiram

Depois

ficaram à espera

fazendo

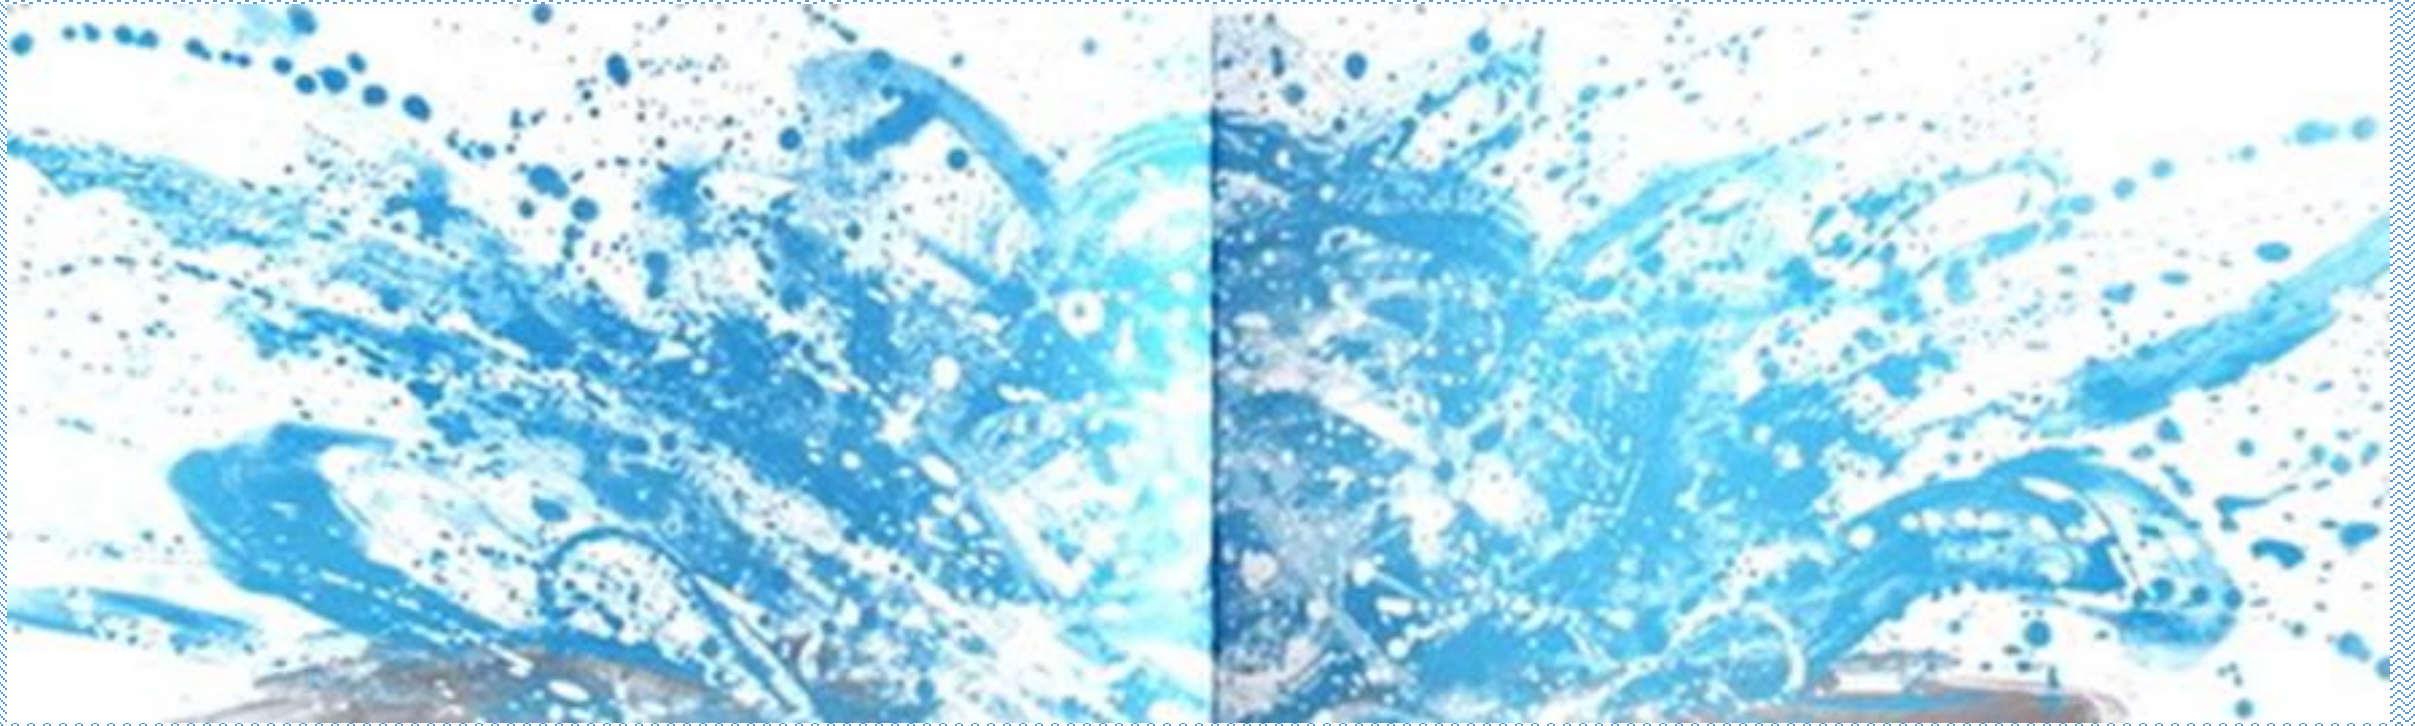

caretas

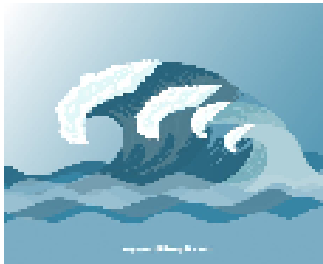

à onda

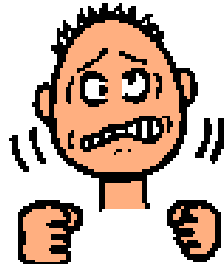

A onda

zangada

ficou

ainda maior

A menina

caiu

na areia

e ficou

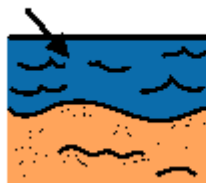

toda molhada

Depois

o mar

ficou

mais

sossegado

A menina

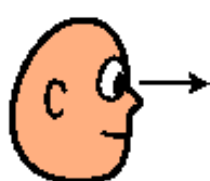

e as gaviotas

ficaram contentes

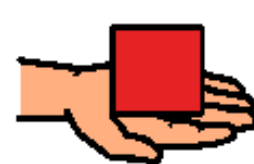

quando viram

o que o mar

deixou

na areia

Eram

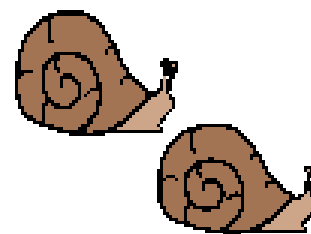

estrelas

conchas

caracóis

e caranguejos

Quando

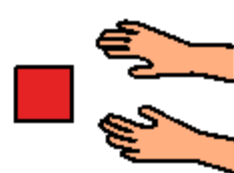

a mãe

da menina

a veio buscar

A menina

acariciava

o mar

agradecendo

aqueles

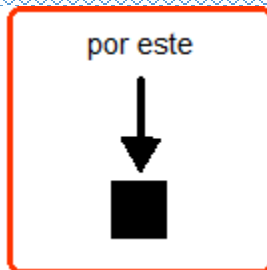

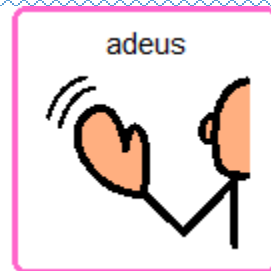

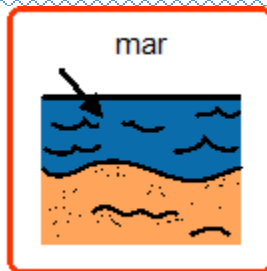

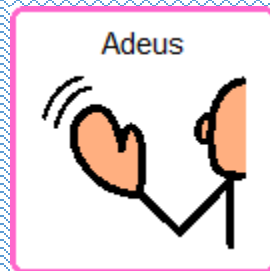

presentes

maravilhosos
